We are attempting to comply with this request however the requested records go back further than the current computer program and are going to have to be manually obtained.

Subject: FW: FOIA Request

In accordance with the Freedom Information Act of Illinois I am requesting the following.

1. Copy of the quarterly random drug testing results for the Coles County Sherriff's Office for the last 6 years.
2. Copy of payments made for the quarterly random drug testing results for the Coles County Sherriff's Office for the last 6 years. These payments would be to the agency performing the testing.

This request is a non-commercial request. I am requesting electronic copies. In the event papers copies must be provided I am requesting the fees be waived as outlined in the FOI Act as this is a request for public information that is to be shared publicly.

If a waiver of fees is not give then I do request an estimate of the cost be provided prior to filling the FOIA request.

If you have any questions please let me know.
