Mr. Melaga,
As you may be aware, I had requested payroll records and benefit records for December of 2023.

Can you provide a response to the following questions?

1. How is it possible for every single person to clock in and out at exactly the same time every day?
2. How can a person be on vacation yet also be clocked in for work?

We will publish your response in its entirety.

Thanks
Kirk Allen
