

Paris Area Chamber of Commerce President Arrested for DWI –

PARIS, IL. ([ECWd](#)) –

Randy Peterson, the current President of the Board of the Paris Area Chamber of Commerce was arrested on March 5, 2017, in Clinton, Indiana on the charge of Operating a Vehicle While Intoxicated.

According to a Clinton, Indiana [newspaper clip we were sent](#), he was pulled over by Clinton Police Officer Dustin Wall at 3:40 a.m. on Sunday morning, March 5, 2017. His Blood-Alcohol-Content (“BAC”) registered at .203 which is more than 2 and 1/2 times the legal limit – taken to the [Vermillion County Indiana Jail](#) and released after posting \$9,000.00 bond.

This is not his first DUI, but it appears he gets drunker on every one: Past article located [here](#).

Let’s hope he doesn’t kill someone, or worse, an entire family, the next time he thinks his “alleged” drunk driving is more important than the lives of our children, mothers and fathers, and grandparents who may have the misfortune to confront a drunk on the roads.

This is unacceptable.

We are working on obtaining the charge sheet and mug shot from the Vermillion County Sheriff’s department and will update it when available.
