Dr. Joseph Collins
Acting Interim President
College of DuPage
425 Fawell Blvd.
Glen Ellyn, IL 60137-6599

Dear Dr. Collins:

I am writing in response to your recent request for an extension of the filing date for the College's response to December 29, 2015. Commission policy requires that the Commission provide two weeks for an institution to respond to an evaluation team report. Therefore in providing you with two weeks we have provided you with an appropriate due date for your response. However, I am willing to grant you an additional two weeks to complete the response. Therefore the College's response will be due on November 12, 2015.

As a result, the Commission's Board of Trustees will not be able to act on the report at its November Board meeting. The Board will determine at that meeting when it will review and act on this case. The Board may review the case at its next scheduled meeting in February 2016 or the Board may choose to call a meeting via conference call to take this action.

If you have any questions, please contact your staff liaison, Dr. Barbara Johnson.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Gellman-Danley".

Barbara Gellman-Danley
