Attached is the list of reasons that allow a public body to go into closed session. The ones that come to mind (I just briefly summarized, but the attachment has the full text) are as follows (if a discussion is needed):

Para. 1. - The appointment or dismissal of employee. There was the item regarding the ratification of the termination of Chris Robling.

Para. 3. - The selection of a person to fill a vacancy of a public office.

Para. 11. - Litigation, etc. If there is going to be a discussion of the law firms and what is pending with the law firms.

Para. 16. - Self-evaluation when meeting with a representative of a statewide association (ICCTA Mike Monaghan).

At this time, I am not proposing that you have to have a closed session or what items above need to be discussed in closed session.
