Dale,

Below is the link from the Edgar County Watchdogs and the facebook comment from Warren Lefever. HB4630

Warren Lefever:

The problem is Camie Sanders' word. For those of you who don't know, the Illinois State Legislature is about (in a week or two) to pass a change in the State Law that involved my testimony about the abuses of the Sanders' Administration (It's already been referred to as the Sanders amendment) (Oh, yes, check who is sponsoring it!!) and I have been informed that Governor Rauner is expected to sign it.
