Wait until I get back. I need to think through how to inform Keith and make it crystal clear the kind of access and authority you will need. If you want to give me some bullet points to use that would be helpful

I think it is time for me to setup a meeting with Keith and his AP supervisors.....

Deb,

I agree with your points. [REDACTED]

[REDACTED] with Ken. He's checking into all examples we are getting us to determine sources of the problems and make systemic changes vs fix isolated incidents when the squeaky wheel gets too loud.

Keep your examples and suggestions coming. Thanks again.

Good idea. I'm getting pretty ticked at the pushiness of Becky May. I'm ready to tell her to retire early.

Ken,

See below. I also read your draft PD. It just needs careful proofing and I think we can call it done. Do you have any thoughts on where we can post this position? I am thinking that I will establish a new position as AVP and Controller and have this Director report there. We need to discuss next steps when both of us are back.

Thanks for keeping me informed.
