RE: FOIA Request

Dear Mr. Allen:

In response to your email FOIA request of October 14, 2016, response extended to October 28, 2016, please note the following response:

1. Your request is for "Copy of all photos and videos on the computer referenced by the Illinois State Police (ISP) in their investigation of Officer Strand." We interpret this as a request for photos and videos on the computer as referenced by the ISP Investigation Report 16-11765LS.

The ISP Report references pictures on page 3 at paragraphs 2 and 3 on the April 7, 2016 dated report; references pictures/videos at the last paragraph of page 1 on the March 15, 2016 dated report; references pictures in the 2<sup>nd</sup> paragraph of the April 6, 2016 dated report; and references photos on page 2, 4<sup>th</sup> paragraph of the second April 7, 2016 dated report. The references all relate to alleged pictures and/or a video (March 15 report only) of Officer Strand with a female(s) either dressed or undressed (various stages of dress).

**Please note that no Utica computer was examined by the ISP in this investigation.** Upon review, the Village of North Utica found no pictures/videos as referenced in the ISP Report. Therefore no such records exist.

2. No such records exist.

Please note that you have a right to seek review by the Public Access Counselor (PAC) of the Illinois Attorney General. The PAC contact information in Public Access Counselor, Illinois Attorney General, 500 South 2<sup>nd</sup> Street, Springfield, IL 62706; telephone number 1-877-299-3642. The right to seek judicial review also exists.

If you have any questions, or disagree with our interpretation of the request, please advise.

Sincerely,

Laurie Gbur  
Village Clerk and FOIA Compliance Officer
