Re: Shelbyville Township Electoral Board

To Whomever it may Concern:

Enclosed, please find a copy of Chief Judge Michael McHaney's Appointment List with regard to the Shelbyville Township Electoral Board, as it relates to certain pending objections to the Republican Slate from Caucus. Please be advised that Judge McHaney, after making these appointments, was notified that certain Appointees were related to candidates on the Slate and, as a result, he has stricken those Appointees from the list. As a result, please be advised that numbers 1, 2, and 4 on this list are now members of the Shelbyville Township Electoral Board for purposes of hearing certain pending objections.

Everyone on this list, with the exception of those stricken, must appear at the Shelbyville Township Building on Friday, January 13, 2017 at 4:00 p.m. At that time, a hearing will be held as it relates to all pending Motions in addition to the objections filed. For your reference, I have enclosed herewith copies of the objections, in addition to the pending Motions. The Electoral Board has been appointed counsel, Chris Koester, out of Taylor Law Office in Effingham, Illinois. Upon appearing at the Shelbyville Township Building on Friday, January 13, 2017, those Appointees that are not necessary as members of the Electoral Board will be excused. If Mr. Tallman, Mrs. Leach, and Mrs. Murphy appear, the remainder of the Appointees will be dismissed. If any one of those three are unavailable or decline to act, then the next in line will be appointed.

Your immediate and very kind attention to this matter is greatly appreciated.

Shelbyville Township
