Subject: RE: FOIA request

In accordance with the Freedom of Information Act of Illinois, I am requesting the following public records.

1. The Illinois Local Governmental Law Enforcement Officers Training Board shall maintain a record for each Sheriff in Illinois to determine the amount of hours of approved training each Sheriff receives during each calendar year. **I am requesting a copy of that specific record for the last three years.**
2. Upon the completion of 20 hours of training approved by the Board, the Executive Director of the Board shall issue a certificate to the Sheriff attesting to the completion of training. **I am requesting a copy of those certificates issued to any sheriff in the last 3 years.**
3. Upon completion of any Board approved training program, each Sheriff is responsible for submitting proof of completion of training to the Board's office in Springfield, Illinois. **I am requesting copies of any submitted proof of completion of training by any Sheriff in the last 3 years.**
4. Sheriffs who do not complete 20 hours of approved training prior to December 31 of any calendar year for the preceding calendar year will be issued a letter notifying them of non-compliance with the Board's training requirements. **I am requesting copies of any letter issued to any sheriff who has not completed the 20 hours of approved training in the last three years.**

I request expedited processing on the basis of an urgency to inform the citizens and taxpayers of Illinois about their government's activities. If any element of this request is denied in whole or in part, I ask that you justify all withholdings individually by reference to specific exemptions of the Act. Please provide all responsive information to me electronically.

I request a rolling production of records, such that the public body furnishes records to my attention as soon as they are identified, preferably electronically, but as needed then to my attention, at the below address. If you have any questions please do not hesitate to contact me.

If you are not the FOIA officer responsible for any part of this request you are required by law to forward it to the appropriate FOIA officer.

The purpose of the request is to access and disseminate information regarding the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

As outlined in FOIA, documents shall be furnished without charge or at a reduced charge, as determined by the public body, if the person requesting the documents states the specific purpose

for the request and indicates that a waiver or reduction of the fee is in the public interest. Waiver or reduction of the fee is in the public interest if the principal purpose of the request is to access and disseminate information regarding the health, safety and welfare or the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

I am requesting the records be provided in electronic format if that is the method in which they are stored. If they are in paper form and the copier can convert them to electronic format I would appreciate receiving them electronically.

Thanks,
Kirk Allen
