Re: FOIA Request

Dear Ms Judd:

I serve as the Village's Freedom of Information Officer and am providing this response to your FOIA request dated February 21, 2017, for all of President Tom Gray's emails that speak positively about the water.

Note that you preface your FOIA request by saying that President Gray made a statement that he has "also received emails that speak positively" about the water. I spoke with President Gray and he does not recall making such a statement, nor is he aware of any such emails. Accordingly, as there are no documents to provide, the Village is denying your request.

Please note that you have the right to file a review of said denial with the Public Access Counselor at: 500 S. 2nd Street, Springfield, Illinois 62706 or 217-558-0486. You also have the right to judicial review under Section 11 of the Act.

Yours truly,

Incorporated March 24, 1874
