

Shelbyville Township Democratic Candidates For Re-Election

During the past four years we have:

1. Maintained a balanced budget in all accounts and have kept the Township debt free.
2. Efficiently maintained the roads, bridges, and cemeteries in Shelbyville Township, added a new section to Oak Grove Cemetery, Jordan Cemetery. And Mt. Carmel Cemetery and built new fencing around all cemeteries in the township.
3. Administered an effective General Assistance Program for the needy.
4. Actively supported the older members of the community through the Senior Citizen's organization.
5. Actively supported many youth groups in the township.
6. Given assistance to our Veteran's organizations.
7. Preserved a tax rate at 9% and we are opposed to tax and salary increases.

We appreciate the support you have given us in the past and your vote once again would insure the continuation of these policies and programs.
