Kirk:

We do not currently hold any seized weapons at the Sheriff's department. I sent you a list that includes every gun that is being held. The guns currently held are abandoned property.

Mr. Miller,

My FOIA request pertained to seized weapons, not abandon property.

I appreciate the verified complaint on weapons but this makes no reference to seized weapons?

I am seeking the list of seized weapons, not weapons that were obtained as stolen property or abandon by individuals.

Were these guns seized and tied to a criminal act or are they stolen property that was recovered by the Sheriff?

Can you please provide a copy of the Verified Complaint relating to the guns.

Am I to understand the list of guns are seized weapons, as was requested?
