Multi-township #2 Board Members:

It has come to my attention that there is a conflict of interest for the township assessor to also be employed by the Supervisor of Assessments office. Therefore, with much regret, as of 01 March 2012 I am resigning as the Multi-township #2 (Buck, Grandview and Kansas) assessor.

If you do not know, I have not been paid for work I completed for the year 2011. Being a salaried employee of the multi-township I would hope this will be resolved soon.

I have enjoyed serving as your township assessor, contracted assessor and multi-township assessor since 1986.

Sincerely:
