Re: Re: Notice of intent to file suit for recovery on behalf of the County of Edgar under (740 ILCS 175/) Code of Civil Procedure, Illinois False Claims Act, Sec. 4(b)(1). This suit will be filed in the names of Kirk Allen and the State of Illinois.

Gentlemen,

I reasonably assume that by now all of you gentlemen are aware of me, given the number of visits, emails, and phone calls of inquiry. You have all taken an oath, which binds you to the Constitution of the State of Illinois and the Constitution of the United States of America. It is through those organic documents that your duties and powers find their origin, emanating from the popular sovereignty of the People, and to a lesser extent, those who freely consent to whatever form of government they chose to bind themselves.

I have attempted to present statements, alleging violations of law, to the attention of those persons whom I, at the time was inclined to believe would act in good faith in bringing the accused to justice. However, upon further inquiry and investigation, I have come to realize that not only was I met with inaccurate, misleading, or false information, but I have also been made aware of a systematic attempt to prohibit private individuals from pursuing justice when directly approaching those parties who are constitutionally obligated. At every turn, I have met with

denial, obfuscation, or resistance. As a result, I am confronting you gentlemen with these concerns and accusations, placing the burden upon you, and invoking your sworn duty to hold those who submit themselves to the laws, accountable to the laws.

Initially, the Edgar County Emergency Telephone System Board was approached, during open meetings, alleging violations of law against person's known to me to be an employee of the ETSB and a Public Official of the ETSB. Additionally, the Edgar County Board was approached, during open meetings, alleging violations of law against persons known to me to be an employee of the ETSB and a Public Official of the ETSB. The names of these people are Nanette Crippes and Merle Clark. Nanette Crippes did knowingly transmit or caused to be transmitted a claim for reimbursement against the County of Edgar for legal services rendered to the ETSB by a hired private attorney, an act clearly outside the allowable expenditures of the ETSB. Merle Clark, Chairman of the ETS Board did knowingly aid Nanette Crippes in transmitting a claim for reimbursement against the County of Edgar for legal services rendered to the ETSB by a hired private attorney, an act clearly outside the allowable expenditures of the ETSB.

Let this letter serve notice upon you gentlemen, who have so chosen to encumber yourselves with the demands of public service and constitutional duty, that employees and officers serving the ETS and the County of Edgar have used their position to the detriment of unwary People and betrayed the Public trust in our local government bodies.

Enclosed are complaints that state facts I believe support charges of fraudulently obtaining public funds, in violation of the laws of Illinois and being properly binding upon those alleged in the complaints and subject to just punishment. I will not tender originals at this time, as it cannot be relied upon to have them treated in the manner required, but I will, upon request, present them to the State's Attorney, Chairman of the County Board, or Chairman of the ETS Board, signed and verified.

Thank you for your attention,

Sincerely,

Kirk Allen
