After reviewing the documents in the FOIA request I submitted a few weeks ago, I have the following questions:

1. I noticed there are payments to Sno-White Laundry every month. Do you have an employee that owns Sno-White Laundry?
2. I also noticed large purchase at Paris Quick Stop. These happen every month. Why such large purchases at a convenience store?

\$584.00 on April 20, 2011

4. What statute authorizes sponsorship of a Paris Junior League Team?
5. On November 8, 2011, B&J Catering received a \$770.00 payment. What was the purpose of the catering payment?

7. What was the purpose of the \$600.00 payments to the commissioners in December 2011?

(310 ILCS 10/7) (from Ch. 67 1/2, par. 7)

Sec. 7. "No commissioner shall receive any compensation, whether in form of salary, per diem allowances or otherwise, for or in connection with his services as a commissioner"

8. Are you aware that improper use of Public Funds or Credit is a violation of the Constitution of the State of Illinois and can, and has been recently, be charged as a felony for each offense?
9. Why did your attorney go to the conference and why did you use public funds to send him and his wife (as evidenced by the hotel receipt with 2 occupants)? How could he drive down to Florida, fly back?, and incur a parking fee at the Indianapolis airport 2 days after the conference ended.
10. Why do all of the Commissioners have Housing Authority credit cards?
11. Why does the Housing Authority Attorney have a Housing Authority credit card?
