Subject: FOIA Request 5-11-2013

In accordance with the Freedom Of Information Act, I request the following:

1. Copy of any letter, rule, policy, statute, or law that requires the FAA or IDOT Div of Aeronautics to review and/or approve a business lease between the Edgar County Airport and RSB Aviation or any other FBO (fixed base operator).

These reason I am asking is because Adonna Bennett, the Edgar County Airport Advisory Board Chairman, stated in a public meeting that she talked to Mr. Alan Mlacnik and that he told her the lease had to be "pre-viewed by them" prior to anyone leasing the airport.

It seemed like an odd rule that I have never heard of before now.

Do you do this will all leases from all airports in the country?

This is not a commercial request.

Electronic copies preferred.

Thanks for your cooperation,
John Kraft

In accordance with the Freedom Of Information Act, I request the following:

1. Copy of any letter, rule, policy, statute, or law that requires the FAA or IDOT Div of Aeronautics to review and/or approve a T-Hangar lease between the Edgar County Airport and people storing airplanes in our T-Hangars.

These reason I am asking is because Jimmy Wells, the Edgar County Airport Manager, stated in a pubic meeting that "the current T-Hangar lease had been approved by the Fed, State, and Local" – I took that to mean FAA, IDOT Div of Aeronautics, and our County Board.

It seemed like an odd rule that I have never heard of before now.

Do you do this will all leases from all airports in the country?

This is not a commercial request.

Electronic copies preferred.
