In accordance with the Freedom Information Act of Illinois I am requesting the following.

1. Copy of current SI Mix for Zimmerly Ready Mix in Paris, Illinois. Point of contact for this information is believed to be Steve Price from IDOT.

It is my understanding that an "SI Mix" approval is handled by IDOT to establish an approved source for concrete. In the event Zimmerly's Ready Mix IS NOT an approved Source for concrete please state as such.

This request is a non-commercial request. I am requesting electronic copies. In the event papers copies must be provided I am requesting the fees be waived as outlined in the FOI Act as this is a request for public information that is to be shared publicly.

If a waiver of fees is not given then I do request an estimate of the cost be provided prior to filling the FOIA request.

If you have any questions please let me know.

Thanks
Kirk Allen
