We have recently had a whistleblower provide substantial evidence in the form of both documents and photo's detailing how Client Network Services Inc has given State Employees illegal gifts in violation of the state gift ban act, alcohol and food during a trip to Michigan. We also have cost analysis documents that show how Michigan's cost to administer Medicaid per recipient per client has almost reached four fold since the use of CNSI and this information has been shared with Illinois Executive administrators.

In accordance with the Freedom Information Act of Illinois I am requesting the following.

1. A listing of all state employees and contractors that have been to Michigan in the last three months (including those that were not paid for by that state but were invited by state employees)
2. Travel Dates of those employees and contractors above traveled with all travel reimbursement forms
3. Dates and Times that CNSI or its employees/contractors had dinner with IL state employees and who paid for those dinners, alcohol
4. Listing of all gifts given to state employees (including the Cuban cigars given to HFS Executives)

(5 ILCS 160/3) (from Ch. 116, par. 43.6)

Sec. 3. Records as property of State.

(a) All records created or received by or under the authority of or coming into the custody, control, or possession of public officials of this State in the course of their public duties are the property of the State. These records may not be mutilated, destroyed, transferred, removed, or otherwise damaged or disposed of, in whole or in part, except as provided by law. Any person shall have the right of access to any public records, unless access to the records is otherwise limited or prohibited by law.

This request is a non-commercial request. I am requesting electronic copies. In the event papers copies must be provided I am requesting the fees be waived as outlined in the FOI Act as this is a request for public information that is to be shared publicly.

If a waiver of fees is not give then I do request an estimate of the cost be provided prior to filling the FOIA request.

If you have any questions please let me know.
