To whom it may concern,

There is a school board meeting on the 21st of August at 6pm in the old gym. All are urged to attend. The school is facing financial difficulty. In fact, our school may close all together. When you registered your child this year in school, you were asked to fill out a questionnaire about where you would like your child to attend once the school has closed. We desperately need everyone's help to solve this problem. There will be a vote as to property tax increases on all homeowners as much as 30%. All residents of Kansas need to attend this meeting. If you don't come and express your opinion, your voice will not be heard and decisions about your children will be made by other people.

If you have questions please call a board member or the school. We have to all work together to secure the future of our school, and for our kids.
