Dear Mr. Allen & Mr. Kraft:

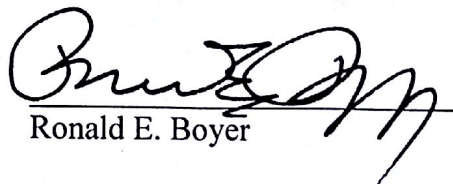

We have noticed on your website that you have irresponsibly revealed Doug Corbett's Social Security Number and other personal information. In a post dated July 19, 2013, with the heading "more Corbett lies" you posted his St. Louis University transcript personal information. In an attachment to that post, the transcript of Mr. Corbett's grades at St. Louis University contains his Social Security Number.

We are demanding that you take that post down immediately.

I might also comment that that particular post is one of many libelous writings that you have recklessly made about Mr. Corbett.

Please confirm that you have taken down the offending disclosure.

Sincerely Yours,

Ronald E. Boyer
