Dear Mr. Allen:

I am enclosing the information pertaining to the September 30, 2013 Special Board Meeting as requested in accordance with the Freedom of Information Act.

I have enclosed the e-mail that I sent to the board members and to the press, the notice and the agenda that was attached to the courthouse and sheriff bldg. doors. I did not receive a written request for a special board meeting. Chairman Bowen called me by phone requesting the special meeting. It was not published in the paper since it is a weekly paper. The information was sent to the press and put on the Ford County Website.

Sincerely,
Linda Kellerhals
Ford County Clerk
