

## **Kevin Garner Questions**

**During the last to public forums you referenced that you have succeeded in business and failed in business.**

**Our best efforts have turned up two businesses you have been involved in over the last 10 years.**

**Garner trucking which most would consider a failure since you went bankrupt and Garner Auctioneering business, which currently is in violation of state law for not being licensed.**

**Can you tell the voters what business success you're referring to when you say you have succeeded in business?**
