Dear Mr. Allen:

This email is in response to your below Freedom of Information Act request. In your request, you ask for a copy of all authorizations for records destruction for the Coles County Sheriff's office for the last 20 years. The Coles County Sheriff's office has operated under two Applications for the Authority to Dispose of Records during the last 20 years. I have attached a copy of both applications. In addition, we have copies of the disposal certificates filed by the sheriff's office under application 89-345. Those are also attached. We do not have electronic copies of the disposals filed under application 10-241. There have been ten disposals filed under that application and those will be mailed to you today. There is no fee for these requests.

I hope the above information is useful to you. Please let me know if you have any questions.

Sincerely,

David A. Joens, Director
Illinois State Archives
