

Dear Fellow Coles County Republican,

This year, my law enforcement career ends. It has been an honor serving you. I now seek the Republican nomination for State Representative in the primary election on March 18.

Illinois does not have a funding problem; it has a spending problem. We can't tax our way out of debt. We must cut spending and **live within our means. Your family does, and your government should too!**

In **seven of my years as Sheriff, we returned funds to the county and each year, we operated within our budget.** I will bring common sense and vision to Springfield, and humbly ask for your vote on **March 18.**

Respectfully yours,

Darrell Cox
