

# CAREER POLITICIAN. BIG SPENDER. **DARRELL COX** **RUNNING RED**

**As a county politician, Darrell Cox has repeatedly blown the budget.**

Cole County audits show Cox simply can't live within a balanced budget, spending THOUSANDS more than originally budgeted at least 4 times in just 7 years in office<sup>1</sup> ...

**... \$180,000 over budget in one year alone.<sup>2</sup>**

Now Cox wants to get to Springfield and get his hands on the state's budget.

**But Springfield is no place for a big spending politician like Darrell Cox, where tax-and-spenders have driven up record deficits and raised taxes, including a 67% income tax hike on families and small businesses.**
