Mr. Kraft,

I am sorry I cannot release that information – you can contact the Public Access Counselor as stated in the letter.

You can submit another request for compensation figures supplied by the college.

Mrs. Mitchell,

You quoted 7 (1)(b) as the reason for denial.

Section 7 specifically states that “*The public body shall make the remaining information available...*”

So I am once again demanding production of the requested public records.
Redact the “private information” like SSN, home address, home phone numbers, and personal email addresses and provide the remainder of the information as required by law.

(5 ILCS 140/7) (from Ch. 116, par. 207)

Sec. 7. Exemptions.

(1) When a request is made to inspect or copy a public record that contains information that is exempt from disclosure under this Section, but also contains information that is not exempt from disclosure, the public body may elect to redact the information that is exempt. The public body shall make the remaining information available for inspection and copying. Subject to this requirement, the following shall be exempt from inspection and copying:

(a) Information specifically prohibited from disclosure by federal or State law or rules and regulations implementing federal or State law.

(b) Private information, unless disclosure is required by another provision of this Act, a State or federal law or a court order.

Thanks,
John Kraft
