Subject: FOIA request (COD) 10-15-2014

In accordance with the Illinois Freedom of Information Act, provide the following:

1. Copies of invoices submitted for payment to COD from a company using the name of Broadcast Technologies.

Please keep in mind that I am well aware of Section 7(1)(d) of FOIA and that the requested records do not fall in that category for exemption purposes.

These invoices were not "*created in the course of*" any proceeding - administrative, law enforcement, or otherwise, and are not exempted records.

Electronic copies requested.

This is not a commercial request.

Thanks,
John Kraft
