With all due respect, please provide the requested records.

My research project could care less who or when the police report was written.

I am simply asking for any 10 DUI arrest police reports that were prosecuted. I don't care if they were found guilty or not. It's not relevant.

I have not asked for a subset of records nor does ANY designate a subset.

Since this is clearly an attempt to delay and deny I will make one more attempt at making this as understandable as possible.

10 DUI arrest Reports that have already been prosecuted in 2013. If you don't want to do 2013 then do 2012. You can even redact the name of the person as I could care less about who it was for this research.

Thank You.

Mr Allen:

With all due respect, your request is still vague. The Glen Ellyn Police Department will not assume responsibility for selecting a subset of records, i.e. "ANY", from a broad range of dates that fit into a catch-all category. You're welcome to refine your request and/or be specific regarding the records you request.

Mr Allen:

If you would, please be more specific regarding your request. The Department doesn't maintain any of its records in order of prosecution. If you have a specific set of cases and/or dates in mind, I will review and respond as required.

In accordance with the Illinois Freedom of information Act please provide the following.

1. Copy of the Police Reports for the **last 10 prosecuted DUI arrests** by the Glen Ellyn PD.

If you are not the FOIA officer responsible for any part of this request you are required by law to forward it to the appropriate FOIA officer.

The purpose of the request is to access and disseminate information regarding the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

As outlined in FOIA, documents shall be furnished without charge or at a reduced charge, as determined by the public body, if the person requesting the documents states the specific purpose for the request and indicates that a waiver or reduction of the fee is in the public interest. Waiver or reduction of the fee is in the public interest if the principal purpose of the request is to access and disseminate information regarding the health, safety and welfare or the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

I am requesting the records be provided in electronic format if that is the method in which they are stored. If they are in paper form and the copier can convert them to electronic format I would appreciate receiving them electronically.

Thanks,
Kirk Allen
