

Memo

Re: Annual Christmas Party

It has been brought to the attention of me and the Employee Relations Committee that most employees were not planning to attend the City's annual Christmas party. We found less than 20% of the employees planned to attend after speaking to them directly. The Employee Relations Committee and I have decided to gift each employee with a \$25.00 gift certificate for a turkey or ham in lieu of the party, but in addition to their normal bonus this year.

Also, in the past there have been \$50.00 gift certificates given to retirees and council members, but there will not be this year. Richard has informed me that this gesture could be construed as illegal expenditures by government investigative groups.

As always, if anyone has any questions, please feel free to call.

Mayor Camie Sanders
