COD Trustees,

Please consider this a request from "media" to be afforded a reserved seat in the media area of your **December 18, 2014** Board of Trustees meeting.

Please reserve a seat for me, in the same fashion and same seating area as other media attending. I also request the use of the tabletop that other media traditionally have access to when seated and attending your meetings..

I represent the following:

Illinois Leaks
Disclosure News Magazine

Thanks,
