Mr. John J. Valenta

Dear John:

It is with a great deal of personal and professional pleasure that I formally offer you and acknowledge your acceptance of the position of Chief Engineer (official College title Radio/Television Engineering Assistant). Welcome aboard!

Robert Blake
OK
RB
Your starting date with us will be Monday, April 17, 1978. Your initial placement on our classified employees salary schedule will be ~~Range XII, Step 8~~, with an annual salary of \$17,342.00. You will enjoy our full range of employee benefits including life insurance, hospitalization coverage, dental insurance, and, at your option, initial enrollment in our excellent retirement program.

I am extremely excited at having someone of your calibre on our staff. Your supervisory work with our television operation will greatly benefit activities there. And together we will try to take our still new radio station to the highest level of community services broadcasting.

Cordially,

P. Robert Blake
Station Manager
