Subject: News Media Table Seating Request

Dear Mr. Kraft:

The College of DuPage is in receipt of your request for a reserved seat at the area where the news media typically sit at College of DuPage Board of Trustee meetings. The area is reserved for the use and convenience of the news media. The definition of "news media" in the closely related Freedom of Information Act informs and provides guidance for entities that sit at the media table as follows:

"News media" means a newspaper or other periodical issued at regular intervals whether in print or electronic format, a news service whether in print or electronic format, a radio station, a television station, a television network, a community antenna television service, or a person or corporation engaged in making news reels or other motion picture news for public showing.

5 ILCS 140/2(f).

Based on the information you provided the College, your organization does not appear to satisfy the criteria.

Should you have any questions, please contact me.
