In accordance with the Freedom of Information Act I am requesting the following.

1. Copy of all expense reimbursement documentation to include claim forms, receipts and all other documents pertaining to those reimbursements for President Breuder from date of employment to July 1, 2012
2. Copy of all announcements for bids on the projects performed by Hurricane Graphics during the last 5 years.
3. Copy of all bid's received for the above referenced projects.
4. Copy of minutes where winning bids were declared and voted on.
5. Copy of COD Foundation minutes approving payments to Hurricane Graphics during the last 5 years.

I request expedited processing on the basis of an urgency to inform the citizens and taxpayers of Illinois about their government's activities. If any element of this request is denied in whole or in part, I ask that you justify all withholdings individually by reference to specific exemptions of the Act. Please provide all responsive information to me electronically.

In the event that fulfillment of the request requires time beyond the statutory deadline to produce a substantial volume of records, I request a rolling production of records, such that the public body furnishes records to my attention as soon as they are identified, preferably electronically, but as needed then to my attention, at the below address. If you have any questions please do not hesitate to contact me.

If you are not the FOIA officer responsible for any part of this request you are required by law to forward it to the appropriate FOIA officer.

The purpose of the request is to access and disseminate information regarding the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

As outlined in FOIA, documents shall be furnished without charge or at a reduced charge, as determined by the public body, if the person requesting the documents states the specific purpose for the request and indicates that a waiver or reduction of the fee is in the public interest. Waiver or reduction of the fee is in the public interest if the principal purpose of the request is to access and disseminate information regarding the health, safety and welfare or the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

I am requesting the records be provided in electronic format if that is the method in which they are stored. If they are in paper form and the copier can convert them to electronic format I would appreciate receiving them electronically.

Thanks,
Kirk Allen
