---

**Mayor Sanders,**

**As you will see with the attached document, Mrs. Church needs to resign from office to avoid embarrassment to the City of Marshall and to her as an Alderman. In my opinion this is nothing less than property tax, voter, and election fraud and cannot be tolerated. By doing this, she is admitting under penalty of perjury to her primary residence being outside the boundaries of the City of Marshall. As such she is not qualified to be an Alderman.**

**There is no excuse for this. She should not attend the next council meeting or any following.**

**Please advise her to resign, and take appropriate action at the very next city council meeting.**

**Thanks,
