The undersigned parties, being the State of Illinois Court Reporting Services and the Vendor identified herein, agree to the following terms in this Agreement, which shall incorporate any Vendor contract, proposal, booking agreement, general letter of intent, or other forms attached to this Agreement and referenced below in paragraph 1 D **To the extent that the terms of this contract are in conflict with any attachments, the terms of this Contract control, unless otherwise specified in the Contract** Vendor terms not in conflict with the terms of this Agreement shall be given effect to the extent practicable or permitted by law

1 VENDOR SERVICES

A Vendor Name and Address:

Shea, Paige and Rogal, Inc
547 South LaGrange Road
LaGrange, IL

B Goods and/or Services to be provided. Vendor agrees to perform the following services (include recipient of services)

Legislative support for Court Reporting Services on behalf of the Chief Judges

C. Termination of prior agreements. This Contract and any attachments listed below, which attachments are hereby made a part of this Contract, shall constitute the entire agreement between the contracting parties concerning the subject matter of this Contract, and no modification or alteration hereof shall be valid except by a supplemental contract, in writing, executed and approved in the same manner as this Contract

D. Attachments (list by title and/or form number):

None

2. TERM AND AMOUNT

A. The term of this agreement shall be for the period beginning July 1, 2011 and ending

June 30, 2012 There is an option to renew by agreement of both parties for one additional fiscal year.

B. Court Reporting Services-State of Illinois agrees to pay, and Vendor agrees to accept, the sum of \$5,000 per month

The State may terminate this contract, or any portion thereof, without notice or penalty

3. FAVORED CUSTOMER. If more favorable terms are granted hereafter by the lessor, supplier, dealer, or manufacturer to any similar State or local governmental agency in any State in leases or rental agreements covering comparable goods and services, the more favorable terms shall be applicable to all agreements or contracts theretofore made by any similar Illinois State agency for the rental or lease of comparable goods and services from the lessor, supplier, dealer, or manufacturer (See section 25-30 of the Illinois Procurement Code (30 ILCS 500/25-30))

Vendor agrees that if more favorable terms for the goods and services are offered herein, under the same type of contract, under the same financial conditions and economic factors, and for the identical or less quantity, have been since the date of the commencement of this lease granted to any State or local governmental agency or unit in any State of the United States of America then such terms shall be applicable to this contract. For the purposes of this provision, financial conditions and economic factors used by the lessor to establish rent will include but not be limited to the then current interest rates, the type of goods and services, the credit of any State or local governmental agency or unit, the State and local taxes payable by the lessor, and the purchase price of the goods and services placed on the lease

4. FINANCING COSTS. The interest component associated with any contract or order may not exceed the greater of 9% or 125% of the rate set for the 20 G O Bond Index of average municipal bond yields as set by the Bond Buyer (See 30 ILCS 305/2) On the date Vendor is bound the rate cannot be exceeded. The current rate can be obtained by calling the Department of Central Management Services, Bureau of Information and Communication Services, Contract Administration

Should any contract or order be found to violate this provision, the contract may, at the State's option, be reformed and adjustments made in the remaining payments to recoup excess interest paid or if all payments have been made, to receive a cash rebate

5. PAYMENT. Vendor acknowledges that payment will be made in accordance with current financial practices of the State of Illinois. It is recognized by the parties that payments at the beginning of the State's fiscal year (July and August payments) are sometimes delayed because of the appropriation process. Such delayed payments shall not be considered late for any purpose nor shall they constitute a breach

6. LATE PAYMENT. Late payment charges, if any, may not exceed the amounts provided under the provisions of the Prompt Payment Act. See 30 ILCS 540/1 *et seq*

7. REQUEST FOR PAYMENT. The Chief Judges through State of Illinois Court Reporting Services will initiate approval of payment upon receipt of a properly certified State of Illinois Invoice Voucher. Approved vouchers will be forwarded to Court Reporting Services, 325 West Adams Street, Room 140, Springfield, IL 62704, where they will be processed for payment. Payments will be made by warrant executed by the State Comptroller and the State Treasurer. Vendor acknowledges that all billings and properly certified invoice vouchers for goods delivered or services performed on or before June 30th of any year should be submitted to Court Reporting Services not later than August 15th of that year

If Vendor delivers goods or provides services on or before June 30th of any year, but fails to submit a correct billing statement and properly certified invoice voucher by August 15th of that same calendar year and such failure prevents payment of Vendor's otherwise correct claim for payment before August 31st of that same calendar year, Vendor's sole recourse is a claim for payment to be filed with the Illinois Court of Claims. Notwithstanding non-payment (if non-payment is caused by the failure of Vendor to submit correct and timely requests for payment as contemplated under this paragraph), all goods delivered to or services performed for the Chief Judges or Court Reporting Services will be retained as if payment had been made, and Vendor agrees that its sole remedy is to submit a claim for payment to the Illinois Court of Claims

8. PAYMENT RESPONSIBILITY. Court Reporting Services acts as a contracting agency and shall be responsible for costs only when it is the agency using the goods or services. If a specific agreement or order is for the use of another agency, that agency shall ultimately be liable for costs even though payments may be made through Court Reporting Services. In the event of a funding problem, the appropriation of the user agency alone shall determine sufficiency of funding.

9. FISCAL FUNDING AND APPROPRIATIONS. Obligations of the Chief Judges, Court Reporting Services or other agency shall cease immediately if the Illinois General Assembly fails to appropriate or otherwise make available funds for this agreement within any fiscal year in which payment might be due. Court Reporting Services will use its best efforts to obtain a sufficient appropriation to cover this agreement.

10. TRANSFER. Court Reporting Services may transfer goods or services and/or payment responsibility to another State entity after giving notice to Vendor.

11. TAXES. Prices shown shall not include federal, State, or local taxes. Should it be determined that such taxes are applicable to this contract, the State will reimburse Vendor for taxes actually assessed and paid except for those based upon income. The Office of the Comptroller has been issued tax number E9984-1177-05.

13. LIABILITY AND INSURANCE.

- a. The State does not assume any liability for acts or omissions of Vendor and such liability rests solely with Vendor. The State will not indemnify or hold harmless any Vendor for claims based on the State's use of Vendor provided goods or services. Any liability for damages that the State might have is expressly limited by and subject to the provisions of the Illinois Court of Claims Act and to the availability of suitable appropriations. Vendor shall carry public liability, casualty and auto insurance in sufficient amount to protect the State from liability for acts of Vendor. Minimum acceptable coverage for bodily injury shall be \$250,000 per person and \$500,000 per occurrence and for property damage, \$100,000 per occurrence.
