Attachments:	SLEA Basic Academy Credit Equity Adjustment- memo.doc; Copy of CRIMJ 1153 2150 2230 crosswalk with SLEA.xlsx ↳ Attachment #3

Brian,

I have attached a memo from last August proposing the change with the crosswalk attached. The identified courses were not really the right fit, so the second attachment identifies the final courses that were added. Thanks.

Please let me know if you need more information.

Thanks Jean. Don't forget to send me some information on the police academy. Something to back up at the discussion that we had. **As I understand it your awarding credit based upon competencies consistent with prior learning assessment / experiential learning. Is that correct?**
