

November 25, 2015

We have been informed that we as IAHE will no longer be able to post information on the D5 Intranet site, send out e-mails using state e-mail that are IAHE related, such as Scholarship information, golf outings, Salvation Army bell ringing campaign, fish fry, etc. Therefore, we have come up with other ways to keep our members current with IAHE activities and news. Below is a list of those options:

Our Website

www.iahe-il.com

This is the main website for the state IAHE site. There is a "Paris" tab that you can click on to see upcoming events and/or news for our chapter.

On Facebook

IAHE Chapter 5

Please send a friend request to our page.

On Twitter

@ IAHE 5

We will tweet upcoming activities. Please check website or Facebook page for more detailed information.

We can also **TEXT** or **E-MAIL** you information. For this to work you will need to provide us with your **PERSONAL** e-mail address and/or a cell phone number where you would like to receive text messages.

Please visit our Website and Facebook page; follow us on Twitter, and if you need notification through e-mail or text messages please let us know at your earliest convenience. The Chapter 5 email address is: iahe.paris@gmail.com. I may be reached at: 217/246-8209 or bridgette.ch5@gmail.com.

We want to discontinue as many future mailings as possible.

Also enclosed is information for our annual Salvation Army Red Kettle Campaign. Please consider volunteering to help those in need.

Thank you for your continued support of our organization and for your patience during this transitional period.

Sincerely,

Bridgette Borries-Pierson

Bridgette Borries-Pierson
President, IAHE Chapter 5
