Good Morning:

Just a reminder about the staff retreat next Thursday and Friday (Aug. 14th and 15th)...

The retreat will be held in the University Suite, on the 2nd floor of Holmes Student Center. The agenda for the retreat is as follows:

Thurs., Aug. 14. 8:30 - 4:30: everyone attends all day and lunch will be served.

Fri., Aug. 15 - 8:30 - mid afternoon: everyone attends all day and lunch will be served.

The goal of the retreat is to help shape the future of our departments and create the kind of work environment that will empower all of us to be the best that we can be. Magaly Rodriguez, from Volentum will be leading us in this process. Attire: what you would wear to work everyday and jeans can be worn on Friday - the goal is to be comfortable.
