Subject: SAVP for HR Search Termination
Importance: High

The University has made the decision to terminate the search process for the Senior Associate Vice President for Human Resources. This decision has been made due to process and procedural deficiencies. The University does not intend to request the services from Talence Group in the future when this search is reopened.

Please forward the message below to all the candidates that applied for the position asap:

The University has made the decision to terminate the search process for the Senior Associate Vice President for Human Resources. This decision has been made as the result of concerns related to process and procedural deficiencies. The University intends to reopen the search at an undetermined time. If you have questions related to this search, please direct them to Murali Krishnamurthi at mkrishna@niu.edu.
