Dear Dr. Breuder,

Chairman Cronin will not be in his office this week but will return on January 4th when we will go over scheduling. He did receive your previous message and I know he'll be anxious to share details with you about his wine country experience!

At this time, his calendar looks very full for the next two weeks in the time frame you suggested. Would you be open to a date during the week of January 16 (Tues, Wed or Thurs)? Please let me know what date might work best for your team, and we'll be sure to touch base next week.

Thank you, and Happy New Year!

Hi Monica,

I apologize for not getting back to you yesterday! I saw Ken Florey at a meeting last night and it reminded me. We are good to go for Tuesday, January 17th and I have blocked noon-2pm on the Chairman's calendar. He hopes to bring 3 additional staff members, but I still need to confirm with them. Please get back to me with details, either by phone or email, and we'll lock this in.

Thanks!

Hi Barbara,

I am checking to see if we can confirm the meeting for Tuesday, January 17. I am holding time on the calendar for that date and have our attorney, Ken Florey holding the time as well. Please let me know if we can confirm?

Thank you.

Have a nice weekend.
