Lisa,

Following up with you to see if you found the emails? With regard to a written document for FSG, as I mentioned, there isn't one, as I was told that the documentation they provided would be sufficient. However, they were given two camping spots for two years and a boat slip for one year. My assumption is that an adjustment will be made by Ben to record a revenue and expense for this.

Let me know when you can about the email. I want to get this wrapped up for you.

Charity
