Subject: FOIA Request

In accordance with the Freedom of Information Act I am requesting the following.

1. Copy of ALL rent payments for the home currently being rented to Mr. Ernst. I am specifically seeking ALL rent payments for that property since D210 took ownership of the property, excluding the payments you already provided.
2. All minutes for ANY rent agreement established for the property since D210 took ownership.
3. Copy of ALL utility bills for the house currently rented to Mr. Ernts, specifically water, gas, electric since D210 took ownership of the property.
4. Copy of College Board Refund payment dated 11-20-15. I am seeking an actual copy of the payment, not a spread sheet showing the payment. The payment was entered into the kids activity fund and such deposit made would be with a bank the school is in fact contracted with. If you are not in possession of this specific record you are required to obtain the record from the bank.
5. Copy of the bank deposit slip reflecting the deposit of the College Board refund.
6. Copy of the bank deposit slips reflecting the deposit of the rent payments received from David Ernts.

Note, the information requested pertains to any business or person leasing, renting, or utilizing public property. This would include any district owned building, home, etc.

I qualify as both media and non-profit under the definitions in Section 2 (c-10) ("Commercial purpose"), Section 2 (f) ("News media"), Section 2 (g) ("Recurrent requester"), and Section 2 (h) ("Voluminous request") of the Freedom of Information Act, for the purposes of being exempt to the provisions of Section 3.1 (Requests for commercial purposes), Section 3.2 (Recurrent requesters), Section 3.6 (Voluminous requests), and Section 6 (Authority to charge fees).

I request expedited processing on the basis of an urgency to inform the citizens and taxpayers of Illinois about their government's activities. If any element of this request is denied in whole or in part, I ask that you justify all withholdings individually by reference to specific exemptions of the Act. Please provide all responsive information to me electronically.

I request a rolling production of records, such that the public body furnishes records to my attention as soon as they are identified, preferably electronically, but as needed then to my attention, at the below address. If you have any questions please do not hesitate to contact me.

If you are not the FOIA officer responsible for any part of this request you are required by law to forward it to the appropriate FOIA officer.

The purpose of the request is to access and disseminate information regarding the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

As outlined in FOIA, documents shall be furnished without charge or at a reduced charge, as determined by the public body, if the person requesting the documents states the specific purpose for the request and indicates that a waiver or reduction of the fee is in the public interest. Waiver or reduction of the fee is in the public interest if the principal purpose of the request is to access and disseminate information regarding the health, safety and welfare or the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

I am requesting the records be provided in electronic format if that is the method in which they are stored. If they are in paper form and the copier can convert them to electronic format I would appreciate receiving them electronically.

Thanks,
Kirk Allen

Mr. Allen,

I have attached the agricultural leases for our vacant property. The individual renting the house adjacent to Lincoln-Way West is David Ernst; there is no formal agreement for that property – it is rented on a month-to-month basis.

You have not provided the name of the person living in a home owned by the District? Any reason for that?

Please provide the requested information.
