RE: Edgar County Airport (PRG)C

Dear Mr. Voight,

The Division of Aeronautics staff has recently learned that the Edgar County Airport (Airport) has not been zoned for airport purposes by the county. Pursuant to 620 ILCS 40/1, the County is required to have zoned the land being used for the Airport. Until such time as the County establishes the required zoning for the Airport, the Division of Aeronautics will not be able to program airport projects or expend Federal or State funds. Please contact me if you have any questions.

Sincerely,

  
Steven M. Young  
Interim Director
