Tom:

I received a message from IDFPR's Mr. Fernandez confirming that they did indeed make the request.

Do you want to send the draft letter to Joe or should I.

Thanks

Bruce

Tom:

I just called him (*he must be gone for the day*) and left a message. I'll try him again in the morning.

Thanks

Please confirm that IDFPR did, in fact, make the request to clear this case. If they did, seems like that would be an important piece of why we are moving this forward to Joe Collins.

Tom:

I have attached a draft of a letter requested by the IDFPR as relayed to us through Attorney Joshua Feagans. I made a couple of minor adjustments to the form of the letter received from the attorney. If you think it would be prudent, I would be glad to call IDFPR's Mr. Fernandez to confirm that he indeed made the request.

Please let me know if you have any comments or suggested revisions. Following your review, we can forward the requested letter to Joe Collins for his direction regarding the request.

As always, please let me know if you have any questions.

Thanks

Bruce

Joe:

If it helps as a refresher, I have attached a copy of the letter to the Illinois Department of Financial and Professional Regulation that you authorized me to send during our meeting this morning.

Thanks

Bruce
