Joe, just an fyi. Another disagreeable meeting with Deanne yesterday, same as last week where she insisted she has the authority to revise the agenda created by Birt, McGuire and Wozniak. She followed up with this email today, and I am forwarding my response as well. Just wanted to keep you in the loop in case this goes anywhere.

By the way, I also spoke to Laz Lopez and Karen Hunter Anderson yesterday, who both agree that the Vice Chair does not automatically assume the Chairman's duties until the next organizational meeting in April. They both said it would be appropriate for the Board to elect a chair at the next available meeting. Deanne was not happy when I told her that yesterday. She is standing by Tim Elliott's opinion that she is the chair until April.

Joe
