Hi Dan,

In response to your question, both John and Jim are alumni of COD . Jim was quite active and was our student trustee during his time with us. The name as we are currently planning for it to appear will read, "Belushi Performance Hall" in honor of both Jim and John.

Best regards,
Cathy

Upon further consideration, my vote is "no". Thank you. Dan Cronin

Im ok with it; however, did John Belushi attend COD? John was a better actor and comedian.
