From the Desk of Dan Cronin

Dear Friends and Neighbors,

We have much to be proud of in DuPage County. We have a low unemployment rate, safe streets, a highly-educated population, outstanding schools and an AAA bond rating due to our prudent approach to budgeting and finance. I am fortunate to work with dedicated members of the DuPage County Board. Together, we have reduced the size, scope and cost of local government through increased accountability, consolidation and transparency. Over the past five years, we've implemented innovative reforms that will save taxpayers a projected \$100 million without sacrificing outstanding public service. Our efforts have gained statewide and national accolades. But we're not done yet. As we choose leaders this spring, I believe we need a DuPage County Board member who shares your values and serves the needs of families like yours. Michelle Moore is that person.

Dan Cronin

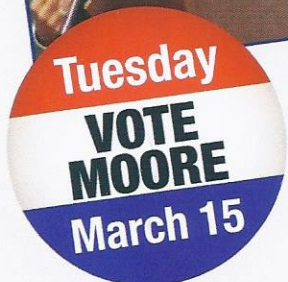

Michelle is running to represent you and your neighbors in District 4. Together, I know we can continue to advance the priorities we all share: reducing taxes and fees, ensuring public safety and maintaining excellent county services. We put the priority on progress. Michelle Moore is dedicated to reducing the size, scope and cost of local government through increased accountability, consolidation and transparency. It's important to keep that in mind as you go to the polls for the March 15th Republican primary election.

Michelle's opponent in this race is at the center of the strife, dysfunction, waste and escalating legal costs now paralyzing the College of DuPage Board. Conflict and controversy follow this College of DuPage lawyer wherever he goes. I ask you to keep that element away from our County Board and vote for Michelle Moore. She is a true public servant who will collaborate with others promoting policies that serve you and make DuPage County a great place for all of our families. Together, we ask for your vote on March 15th.

Thank you,

Dan Cronin
