Re: Response To Request For Information and Records
From Kankakee Valley Airport Authority

Dear Mr. Kraft:

As a follow up to our conversation today whereby the Kankakee Valley Airport Authority (hereinafter KVAA) Board has directed me to provide you with information and records related to a roofing contract awarded to Langlois Roofing Inc. which has been the focus of your inquiry, please note the following documents which I have enclosed with this correspondence.

1. Bidding Proposal from Langlois Roofing.
2. Bidding Proposal from Bennett & Brosseau Roofing.
3. Bidding Proposal from Metalmaster Roofmaster Inc.
4. Correspondence from Jh2b Architects documenting Advertisements For Bid and Recommendation For Award.
5. Minutes from June 13, 2016 Board Meeting
6. AIA Document A101 Agreement Between the KVAA and Langlois Roofing Inc.
7. Invoice and Change Order from Langlois Roofing Inc.

I, as the Board Attorney wish to make clear that in awarding the contract that Board acted upon my recommendation that, in my opinion, the awarding of the contract to Langlois Roofing Inc. was in compliance with the law and clearly reflected the Boards intention to provide the taxpayers with the services of a reputable contractor who, did in fact qualify, as the low bidder in an open and fair selection process.

As I indicated in our conversation, I am prepared to facilitate compliance with any and all requests you may have for additional information or records related to your inquiry.

Very Truly Yours,

A handwritten signature in black ink, appearing to be "MRD", with a large, sweeping loop at the end.
