Request:

On 01/20/2015 at 01:30 p.m., Polygraph Examiner Mark Murphy was requested by the ISP DOO Zone 5, Champaign to conduct a polygraph detection of deception examination.

Investigation:

On 01/21/2015, Robert Bogue was examined by the polygraph detection of deception technique at the Paris Police Department Investigations Office, #1 Highland Ct. in Paris, IL.

Polygraph Examiner Mark Murphy's notes and observations were recorded on Crime Scene Services Command (CSSC) approved forms. The CSSC forms will be maintained in the polygraph case file.

Nature of Investigation/Results:

The polygraph examination was administered to investigate whether or not the subject listed above participated in setting fire to two Cessna 421 aircraft on Monday, November 18, 2013, at Edgar County Airport.

There were no significant responses indicative of deception in this subject's polygraph records on the following questions:

In November, 2013, did you start fires on the wings of those two airplanes at Edgar County Airport?

Answer: No

In November, 2013, did you set fire to those planes?
